9-Pin No-Tap RULES

1. *Mixed Doubles 9-pin NO TAP is not a USBC certified event. One male and one female must be on each team.*
2. *Entry deadline is March 6, 2010, 10:00 am. If tournament is full before that date, entries will be put on a waiting list in the order they were received.*
3. *Teams may enter tournament as many times as they wish. No team can cash more than once.*
4. *Persons unmarried and under the age of 18 must have written consent of parent or guardian.*
5. *HANDICAP - All bowlers receive 80% of the difference between their average and 220. Bowlers over 220 will receive zero. Men without a sanctioned average will be given a 170, women a 150. Failure to use a correct average, thereby resulting in a lower classification or more handicap, shall disqualify score if submitted average is lower. Bowlers have 48 hours from their date of competition to submit a corrected average.*
Averages considered shall include sanctioned and non-sanctioned leagues.
6. *For handicapping purposes only, the highest 08-09 Yearbook twenty-one (21) game average will be accepted. If this year's average, as of December 31, 2009, is fifteen (15) pins higher, the higher will be used. Entrants without a Yearbook average but with a current USBC average of twenty-one (21) games or more as of January 31, 2010 the present league average will be accepted. Averages from summer leagues will be accepted if no current league average is established. Actual scores bowled will be used to calculate team totals. Averages from 3 years prior will be considered without a 07-08 average. If a person has ever averaged more than 200 and has not bowled in more than 3 years, he or she will enter this tournament with a 210 average and handicap of 8 pins per game.*
7. *Bowlers are subject to re-rating after 3 games of prior participation.*
8. *It is understood that openings in this event depend upon entries in the team events scheduled on these same dates. No paid entries can be bumped without the permission of the doubles team involved.*
